

Dia de los Muertos Name Skeleton

Materials:

Black paper, white printer paper, assorted scraps of colored paper, scissors, glue stick, pencil and markers

Instructions:

Use a large sheet of black paper for the background, glue colorful cut paper to it.

Fold one sheet of white paper in half lengthwise.

Write your name in cursive above the fold line of your paper, make sure to use all of the paper from side to side and bottom to top.

Cut around the letters, be careful not to cut through the fold of the paper.

Open the paper and glue the skeleton to the black background paper.

Cut a skull and hands and glue them to the skeleton.

Add decorative elements to your name skeleton.
